ASA Stats Transparency Report

for December 2021

The creator of this report is Ivica Paleka. He is the keeper of the ASA Stats development pool in the pre-DAO phase and he will be referred to as the Keeper for the rest of this report.

Administration and costs

VPS subscription is purchased by the Keeper's private donation in fiat currency.

Tokenomics

For the rest of this document, it is implied that all the transactions are created by the Keeper. Each of newly created pool accounts is funded by the Keeper's private donation in the amount of 10 ALGO.

Development Pool

An amount of 50,000,000 ASASTATS was transferred on Tue, 14 Dec 2021 20:10:57 UTC from the Manager address to the *devpool*.

ASA Stats Token Presale

From Wed, 01 Dec 2021 00:59:41 UTC to Fri, 10 Dec 2021 19:02:32 UTC, the *devpool* had received 6,284.00 ALGO.

For those ALGO received, in a similar period, the Keeper had sent a total of 12,568,000 ASASTATS to the purchasers' accounts.

Out of Presale Late Purchases

From Fri, 10 Dec 2021 23:31:58 UTC to Sat, 11 Dec 2021 15:36:04 UTC, the devpool had received 500.00 ALGO after the ASA Stats Presale official deadline.

The senders were informed in private correspondence that they are not qualified for any additional benefit besides the offered price. One of the senders decided to be refunded and the Keeper on Sun, 12 Dec 2021 16:08:47 UTC sent 200.00 ALGO back to the sender account.

The other two senders decided to receive ASASTATS and the Keeper had sent a total of 60,000 ASASTATS to the purchasers' accounts.

Out of Presale Purchases

In December 2021, new members of the community have been selected as the First Investor and the First Admin, and the additional 3 slots are offered to purchase in a out of presale arrangement to each of them.

One of them used one slot on Fri, 31 Dec 2021 14:35:36 UTC and the Keeper sent 1,000,000 ASASTATS to the purchaser's account.

DAO governance

As defined in the Open letter to the ASA Stats governors, the *devpool* is obligated to donate to the *airpool* - for the purpose of additional Asastatser investor votes - a half of the total amount of ASASTATS that has been allocated in the presale for the members of the Asastatser group. On Tue, 14 Dec 2021 21:25:30 UTC the Keeper sent 11,500,000 ASASTATS to the *airpool*.
